What if the key to saving your dreams—and your family—came in the form of a tiny, mystical angel?

Ben Davidson's world is crumbling—he's lost his job, his family is drifting away, and his lifelong dream is slipping through his fingers. In *The Color of Dreams*, a life-changing encounter with a tiny, mystical angel in the 1980s Pacific Northwest reveals six spiritual truths that challenge Ben's deepest fears and reignite his faith. As he embarks on a journey of self-discovery, he learns to reshape his reality and rediscover the light within. With themes of perseverance, redemption, and unseen magic, this soul-stirring novel reminds readers of the power of believing in second chances and chasing their own dreams.

Perfect for fans of metaphysical fiction, spiritual transformation, and heartwarming stories of redemption, this novel will leave you inspired to chase your own dreams and embrace the possibilities of life's unseen magic.
